

# SUSTAINABILITY CERTIFICATE

2015

Is awarded to:

“Your company”

For contributing to reducing CO<sub>2</sub> emissions by:

“The amount of CO<sub>2</sub> you save”

By Choosing Norfolier GreenTec's products made from 100 % post-consumer recycled plastic you have not only helped to reduce CO<sub>2</sub> emissions but you have reduced energy consumption by 80% and diverted waste from landfills. You are enabling long term sustainability by supporting local closed loop recycling systems.
